## *The list of the magical sites to be visited on this most beautiful journey:*

**Piha Beach:** This beach has a very strong connection with the Lemurian energy if you are sensitive enough you can feel their strong presence. Before starting the journey we will gather here on this beach in the caves. On our return after we have journeyed we will gather here on the beach to close the journey.

**Wahine Mountain:** Standing so regal at the end of the beach beckoning and daring you to climb her. As you reach the top you are greeted by a magnificent view of the ocean. It is here that you can find a spot to lose yourself in meditation to see what will unfold for you.

**TaraTara Mountain:** She has a heartbeat and if you are quiet you will hear her heartbeat as she calls you to come sit with her a spell.

**Cape Reinga:** Follow the winding pathway down to the lighthouse here you will find yourself standing high above two clashing oceans as they come together only to be torn apart time and again. Here we can stand in ceremony. [http://en.wikipedia.org/wiki/Cape\\_Reinga](http://en.wikipedia.org/wiki/Cape_Reinga)

**Spirit Bay:** A place filled with magic. High on a hill sits an ancient mystery school of learning an amazing place to sit and ponder the past the future and the present. If you are feeling like a climb then the push on to the top of this mountain and sit in silence while you take in the view. It is here in this place that you may glimpse the Crystalline Temple guarded by the Whale Grandmothers and its golden pyramid that just sits waiting for the key to be turned.

**Te Ari Uri:** Place of the gods that is how this place feels. It is point of entry and point of return a gateway to the other realms.

**Waimangu:** Volcanic Valley step into a world of astounding geothermal features and gigantic volcanic craters. It is time to walk amongst the fire to see what we are to be shown in this magical wonderland of mystery. <http://www.waimangu.co.nz/>

**Orakei Korako:** A pathway has been woven through this maze of fire and the pool of mirrors at the bottom of the cave would be a

perfect place for meditation. It is here in this valley that we will also find the pool of healing that was used by the ancestors so long ago.
